## PRODUCT FEATURES

What makes Standard switches the best is advance technology blended with excellence. switches, sockets and accessories are designed for the rugged Indian conditions. The range created from fire retardant, self extinguishing polycarbonate plastic, can withstand the glow wire test at 850 °C, also ultra-violet stabilized material is used to avoid discoloration even after long exposure to sunlight.

### SWITCH

- Fully conforms to IS-3854-1997
- Flame retardant, UV light stabilised, unbreakable engineering plastic housing
- Labyrinth effect to minimize visibility of arc
- Silver cadmium oxide (AgCdO) contacts provide high conductivity and anti-weld properties
- Dome shaped moving contact and flat head fixed to provide positive contact
- Glass filled Nylon-66 plungers provide high mechanical strength and self-lubricating properties to enhance switch life
- Special steel springs to provide consistent contact pressure
- Copper rocker with silver inlay to reduce wear and tear of the fulcrum. Rocker

profile provides lever effect to increase contact pressure and minimise temperature rise

- Silver plated brass terminals to provide high conductivity and reduce heating
- Liberal terminal hole size provided to accept wires upto 6 mm<sup>2</sup>

### DETAILS OF INTERIORS OF A SWITCH

Standard switches, manufactured in accordance with IS 3854:1997 specifications have various in-built beneficial features. The integral design of terminals and contacts make the switch capable of withstanding high overload conditions. There is sufficient clearance between the moving contact and fixed contact to break the arc, during operation of the switch. The labyrinth design extinguishes arc faster and reduces arc visibility.

### SOCKET

- Fully conforms to IS-1293-1988
- Flame retardant, UV stabilized, unbreakable polycarbonate casing
- GF nylon 6 shutter (for mechanical strength and self-lubricating properties) provides safety
- Connector of phosphorus bronze to provide high flexibility and contact pressure
- Silver plated (7 microns) brass terminals to reduce heating and improve conductivity

### DETAILS OF INTERIORS OF A SOCKET

Sockets come with phosphor bronze connectors for better connectivity and durability besides retaining its shape even after 10,000 operations (plugging in and out the 2/3 pin plugs). All sockets and plugs fully comply with IS 1293:2005 specifications.

### 5 STEP FAN REGULATORS

- Highly efficient and energy conservative (no power loss)
- No radio interference
- Low noise levels
- Step control
- Modular construction (can be easily clipping on to modular plates without screws)
- Highly reliable (tested for 5000 electrical operating cycles)
- FR and UV stabilised housing
- Soft operation (low operating torque – 5.6 Nm)
- High insulation resistance 25000 mΩ.
- Rotation of the rotary switch is 360°, which enhance the life of product

Havells India Ltd. ("Company") hereby warrants these products, against manufacturing defects, commencing from the date of purchase invoice for the period as specified in the table below :-

S. No.	Product	Warranty Period
1	Mechanical Modules - Switches, all type of sockets in white & PC White Cover plates.	10 Year
2	Electronic Modules -Fan regulator, Dimmer, Telephone sockets, Computer sockets, USB Chargers, Data Socket (HDMI,VGA, HD15, USB Data) & Indicator switches, Mechanical Modules-Switches & all types of Sockets in painted colors.	1 Year
3	Decorative plates (Glass, Metal and Wood), Painted Cover plates, PC plates with Chrome / Color finish & all modular SKUs with colour painted.	1 Year
4	* Extension Board (Powerstrip, Spikeguard, Flexbox), Door bell, Water bell, Adaptor.	6 months ( No Home service)

#### Warranty Terms and Conditions for products mentioned from S. No. 1 to 3

- To avail Warranty services, customer can log in his requests with the customer care cell and must present original invoice and wherever possible original Warranty Certificate (duly signed and stamped by the Selling Dealer) to the Authorised Service Representative.
- Company will repair or replace the product at its discretion, if any manufacturing defect is found in the product.
- Warranty of repaired or replaced product shall thereafter continue only for unexpired period of Warranty and defective product shall be property of Company or its Authorized Service Partner during Warranty period.
- Company will not be liable for any delay or failure in performance resulting from causes beyond its control including non-availability of any part, labour problem, restrictions and regulations of the government, public movement, war and any other unavoidable/unforeseen circumstances including any force majeure event, specially vis-à-vis the import of supplies and raw material.
- It is clarified that the Company will not be responsible to the customer for any economic loss, commercial loss, consequential or resulting liability, damage to the property or any other harm or loss.
- In the event of any unforeseeable circumstance same product or product with similar design is not available, product will be replaced with an equivalent model available at that time.

#### Warranty excludes or does not apply:

- If the product is serviced or repaired by any person other than the Authorized Service Representative of the Company.
- If customer violates Warranty Terms and Conditions, instruction and installation guidelines, recommendations of Authorised Service Representative and/or operates the product otherwise than as per product specifications.
- If the serial number affixed on the product is damaged, erased or tampered with or if product is refurbished/modified.
- If the product is operated in conditions otherwise than normal conditions (e.g., abnormal voltage surge, extreme environmental conditions etc.).
- Any harm caused due to accident, negligence, improper maintenance, mishandling, tampering, incurred in transit by the customer or which can be attributed to the fault of the customer.
- Any harm resulting from any unforeseeable circumstances such as force majeure event etc.
- Any harm caused due to any defect in any electrical/civil installation(s), wiring or third party products.
- If Company's mounting boxes have not been used to mount the plates and accessories.

\*For Warranty Terms and Conditions of Extension Board, Doorbell, Water Bell, and Adaptor, please visit our website [www.standardelectricals.com](http://www.standardelectricals.com)

#### Terms & Conditions :

- Prices are in Indian ₹.
- The List prices are inclusive of GST.
- This Price List supersedes all our previous Price Lists.
- Prices are subject to change without notice.
- Company reserves the right to issue amendments, which may arise due to any errors in the price list.
- All list prices mentioned above are for quantity 1 N.
